Great Facilities

Aspen Heights British School offers the **National Curriculum for England** to students in a **personalised way, integrating the local community and environment**, for children aged 3 to 11 years old (Foundation Stage to Year 6). Our secondary school will open with Year 7 and 8 in the 2019/20 academic year, growing the school by one additional year group per year.

## Why choose Aspen Heights British School?

- Our spacious campus has been built **keeping nature in mind**, with unique features such as a **hydroponics farm and animals**.
- **Our teachers are all native English speakers** and bring with them many years of regional and international school experience.
- **Part of the International Schools Partnership (ISP)**, a global family of 32 schools, which ensures outstanding international learning connections, quality assurance and excellent governance.
- We are a **truly inclusive community school** - we embrace the individuality of every child and ensure wellbeing is high priority.
- **Consistent communication between the school and home** - you will always know how well your child is progressing through regular communication with your child's teacher, and through our parent portal.
- **Language development** is integral to our curriculum - we teach Arabic for both native and non-native speakers from FS1, and French from Year 3.
- **'Amazing Learning' is central to everything we do**. Our personalised provision ensures that children make remarkable progress and achieve standards that will amaze you!

**High quality British education, with a focus  
on the local community and environment**

## AN APPRECIATION OF THE LOCAL ENVIRONMENT

Aspen Heights British School believes that providing children with an eco-friendly environment will **instil a sense of responsibility towards the world**. We offer **unique environmental initiatives** including:

- A **hydroponics farm** where students will be able to cultivate fruit and vegetables and will be encouraged to develop healthy eating habits;
- **Animals** such as fish, chickens and tortoises.

Students will gain an understanding that much of what has been grown can be eaten and enjoyed. Such unique, hands-on learning experiences enhance and embed classroom learning.

## EXTENSIVE ICT AND GOOGLE FOR EDUCATION

Our Information and Communications Technology offerings are among the best in Abu Dhabi, with technology including iPads and Chromebooks and control technology such as remote control devices for use across the curriculum. We are also a Google For Education school and receive updated support and resources to develop digital readiness programs for our students. This helps to prepare them with the skill set they need to thrive in the future.

## WONDERFUL BRAND NEW FACILITIES

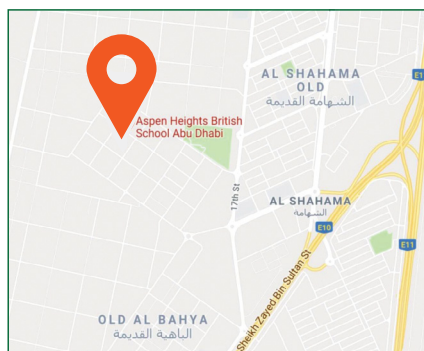

- A 25m heated indoor swimming pool with weekly swimming lessons.
- Spacious, well-resourced classrooms, filled with natural light, providing excellent conditions for learning.
- A large multi-purpose sports hall/gymnasium, an outdoor sports court and astro pitch, and a dance studio to accommodate a wide range of extra-curricular activities.
- Dedicated music and art and craft rooms. Specialist music teachers ensure children have the opportunity to learn an instrument of their choice.
- A large library housing vast resources for students, staff and parents to develop their knowledge and understanding of different subjects, in English and Arabic.
- Age-appropriate shaded play areas across the campus.
